

Dear Valued Customer:

We are pleased to announce that, effective immediately, Bethel's Propane is now a part of AmeriGas Propane. This decision was made based on my knowledge of the AmeriGas business philosophy, their commitment to outstanding customer service and dedication to their employees. I am confident the transition will be a smooth one.

I would like to personally thank you for all the years of support and the opportunity to be your supplier. I appreciate the considerations you have extended to Bethel's, both for the business and also for our family.

I would like to thank you in advance for welcoming AmeriGas as your new propane provider as I feel they will do everything possible to continue to provide excellent service for all your propane needs.

Very truly yours,

Leta Bethel
